

### INSULATION AND REFRACTORY ACCESSORIES

|   | <b>Category</b>   | <b>Item Description</b>  |
|---|---|--|
|    | Suitable for: <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Cold Insulation</li> <li>- Refractory</li> </ul> | <b>Bandings and Wing Seals</b> <ul style="list-style-type: none"> <li>- Materials available: Stainless Steel (SS304, SS316, etc.), Galv. Steel and Others.</li> <li>- Widths: 13mm, 19mm (in stock). Other sizes are also available.</li> </ul> (Customization, according to project specifications, is also available through our OEM suppliers, on indent basis).  |
|    | Suitable for: <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Cold Insulation</li> <li>- Refractory</li> </ul> | <b>Tie-Wires</b> <ul style="list-style-type: none"> <li>- Materials available: Stainless Steel (S304, SS316, etc.), Galv. Steel etc.</li> <li>- Diameters: 1.0, 1.2, 1.6mm (in stock). Other thicknesses are available on indent basis.</li> </ul> (Customization, according to project specifications, is also available through our OEM suppliers, on indent basis).   |
|  | Suitable for: <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Cold Insulation</li> <li>- Refractory</li> </ul> | <b>Welded mesh and wire netting</b> <ul style="list-style-type: none"> <li>- Various mesh opening sizes and wire thickness are available.</li> <li>- Materials available: Stainless Steel (S304, SS316, etc.), Galv. Steel etc.</li> </ul> (Customization, according to project specifications, is also available through our OEM suppliers, on indent basis).   |
|  | Suitable for: <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Cold Insulation</li> <li>- Refractory</li> </ul> | <b>Perforated sheet and Expanded Metal sheet</b> <ul style="list-style-type: none"> <li>- Various holes openings and shapes, spacing (for perforated sheets) and sheet thickness are available.</li> <li>- Materials available: Stainless Steel (S304, SS316, etc.), Galv. Steel etc.</li> </ul> (Customization, according to project specifications, is also available through our OEM suppliers, on indent basis). |

|   | <b>Category</b>  | <b>Item Description</b>  |
|---|--|--|
|    | <p>Suitable for:</p> <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Cold Insulation</li> <li>- Refractory</li> </ul> | <p>Jacketing and Claddings</p> <ul style="list-style-type: none"> <li>- Available in mother coils (de-coiling will be at extra charge), sheet and roll form.</li> <li>- Stainless Steel (various grades) in various finishing (plain, 2B finish, etc.)</li> <li>- Aluminium (various grades) in various finishing (plain, stucco embossed, polykraft laminated, polysurlyn laminated,).</li> <li>- Galvanized Steel, Aluzinc, PVC and Others.</li> <li>- Corrugated sheets, Profiled sheets, Pre-colour coated sheets.</li> <li>- We also fabricate various jacketing/cladding, PP cages and boxes for various pipe sizes, equipment, flanges, valves, elbows etc.</li> </ul> <p>(Customization, according to project specifications, is also available through our OEM suppliers, on indent basis).</p> |
|   | <p>Suitable for:</p> <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Cold Insulation</li> <li>- Refractory</li> </ul> | <p>Toggle Latch, Lacing Hooks and Anchors</p> <ul style="list-style-type: none"> <li>- Materials available: Stainless Steel (S304, SS316, etc.), Galv. Steel and Others.</li> </ul> <p>(Customization, according to project specifications, is also available through our OEM suppliers, on indent basis).</p>   |
|  | <p>Suitable for:</p> <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Cold Insulation</li> <li>- Refractory</li> </ul> | <p>Screws and washers, Bolts and nuts</p> <ul style="list-style-type: none"> <li>- Various screw types (self-tapping, self-drilling etc.), head (Philips pan, Pozi pan etc.), sizes and lengths are available.</li> <li>- Various configurations of bolts and nuts, according to project requirements, are available.</li> <li>- We keep Philips pan-head self-tapping screw size: #8 x 13mm with or without washers, and various other types of screws and washers.</li> </ul> <p>(Fastening systems, according to project specifications, are available, on indent.)</p>   |
|  | <p>Suitable for:</p> <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Cold Insulation</li> </ul>                       | <p>Aluminium tapes, foils, Filament tapes and Others</p> <ul style="list-style-type: none"> <li>- Other types of insulation tapes are also available.</li> </ul>   |

|   | <b>Category</b>  | <b>Item Description</b>   |
|---|--|---|
|    | Suitable for: <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Refractory</li> </ul> | Insulation pins, washers (plain, spring, round, square, cupped etc.), spindle pins <ul style="list-style-type: none"> <li>- Wide range of configurations and material types (stainless steel, galv. steel, mild steel, aluminium etc.) available.</li> </ul> (Customization, according to project specifications, is also available through our OEM suppliers, on indent basis).                    |
|    |  | Flat bars, angle bars, etc. <ul style="list-style-type: none"> <li>- Wide range of configurations and material types (stainless steel, galv. steel, mild steel, aluminium etc.) available.</li> </ul> (Customization, according to project specifications, is also available through our OEM suppliers, on indent basis).   |
|   | Suitable for: <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Refractory</li> </ul> | Refractory anchors (Y, V, welded, twisted etc.), M anchor, ceramic cuplock, lock anchor & washer etc. <ul style="list-style-type: none"> <li>- Wide range of configurations and material types (stainless steel, galv. steel, mild steel, aluminium etc.) available.</li> </ul> (Customization, according to project specifications, is also available through our OEM suppliers, on indent basis). |
|  | Suitable for: <ul style="list-style-type: none"> <li>- Hot Insulation</li> <li>- Refractory</li> </ul> | Fiberfrax® range of Insulation and Refractory anchoring systems <ul style="list-style-type: none"> <li>- More details are available through contacting us.</li> <li>- Brand: Unifrax</li> </ul>   |

**Did you know?** – We have over 30 years of **Fabrication experience** and maintain a team of **Skilled labour** to customize in-house and on site fabrication for Claddings, PP cages, and Boxes for pipes, equipments, flanges, elbows, valves and others.

We also specialise in **Project Materials Supply** as we have been sourcing and maintaining a strong base of suppliers through the years.

**New** – We can **customize** for you! We have launched our own range of Insulation and Refractory Accessories – under Enercon's own label – **"ECO-THERM"**. – Ask Us Today!

**Please check with us if you cannot locate what you need from this product listing.**
